Proposed by Mr. Cameron and seconded by Mr. Gangaiya that a tax of Rs. 1- block per annum be levied with effect from the next official year.

Amendment by Mr. Venkatramaiya, Municipal Commissioner, No. II division, that a the monies due on the sites, are due to owners of sites, have not been ascertained and the Board under Section 7 of the Municipal Regulations and as funds in connection wit have not come into the Municipal Accounts, as Municipal Funds, under Section 9 of th and as no register has been prepared to show that the assessment which was being levie assessed under the Survey Accounts has been remitted or whether there has been any c such assessment, the Board would be incurring a serious responsibility of answering to the proprietors of the lands for compensations due to them, and other serious respon money matters.
